

**Sarah Lee**  
Making Friends

**11 February – 12 March 2023**  
**Community Gallery**

Sarah Lee is drawn to making "fiddly & laborious works" that teeter on the brink of disaster. Her sculptural works invite the viewer to create their own personal narrative or dialogue and to perhaps make a new friend in the process.

Sarah works out of her studio in Te Aroha and has a Diploma of Art & Craft from Hungry Creek.
